3. **Treasurer's report:** There are currently 25 sponsors. Received 2 more today – will hold their spot until all teams and sponsors are assigned. League direct bill pending of about \$3900 for equipment.
4. **Report of Officer's:**
Coordinators: TBall/Instructional –No report. **Minors** –no report. **Majors-** No report.
Softball –no report. **Umpires** –no report.
Concessions: B. Velez will run Rocco with parent support. A. Kostek asked if Minors and T-Ball would like to have concession services – and what the needs are – would definitely like to continue at least with fluids and some foodstuffs. A. Kostek will look into possibly getting a vendor to be present as there are no facilities available at either field and trying to bring everything for each game in the past has proven very difficult.
Safety officer: Safety meeting went well – the Safety plan is almost finished and will be mailed to Little League for approval.
Equipment: Will look to handout to all minor and junior teams on Saturday, 3/22 from 12-1pm at Rocco Field, all others will be given out on Sunday, March 30, from 12:30-1:30. Will plan to collect all equipment the last day of the season – this will be arranged with coordinators. Equipment will be redistributed for All- Stars.
5. **Communications:** Will get info out for safety meeting/Chris Corkum clinic.
6. **New Business:** Teams are being put together – Boys – majors – 5 teams, Minors – 60 boys – recommend 6 teams of 10 – will need another coach for minors. Juniors will have 3 teams – need another coach and coordinator, as Alyn Johnson won't be able to do. A. Kostek will fill in until another coordinator is determined. T- Ball and Instructional will have 6 teams each. Girls will have 4 instructional, one major and 2 minor teams. The juniors will combine with Haddam. A. Kostek will have to amend charter to have the junior girls softball. Uniforms – the coordinators will get the orders and work with A. Kostek for sponsors and will send the order to Alan or John Figurelli. S. Bauer will cross reference lists so not to overlap sponsors
7. **General Remarks:** Need to amend designation for Minor All-Stars to try and have the players participate in voting. Will be moving ahead with field maintenance once the ground is workable. Will start at KES – need to try and set a date to coordinate supplies and volunteers. The religious Ed coordinator at St. Lawrence has asked that we take into consideration game times and the CCD class schedule. A. Kostek and appropriate coordinators will try to review that. Pictures will be the last weekend in May with the rainout for the first weekend in June. Opening Day will be 4/26. New pitch rule was reviewed.

Meeting adjourned 8:35 pm. Next meeting 4/9/08, 7:30pm at the Killingworth Firehouse.
